

Ashley Allen - LPS Band

Hello! My name is Ashley Allen, and I'm the Band and General Music Teacher at Leadership Prep School. I also teach two sections of 6th grade Teen Leadership this year. I started teaching at LPS in 2017 and the 2021-2022 school year will be my 5th year at LPS. I graduated from Texas Tech University in 2016 with a Bachelor of Music in Music Education and I am certified to teach all music levels from Early Childhood to 12th grade. I am currently working on my Master's Degree and will graduate with my Master of Music Education during the Summer of 2022. The schools in this area have an extraordinary history of musical excellence and I have LOVED my time growing and leading the LPS Band.

In my free time, I enjoy putting together jigsaw puzzles, playing video games, and spending time with my many pets. I love teaching and preparing our students to be the leaders of tomorrow. Thank you for allowing your child to be a part of something as wonderful as the performing arts and I look forward to having them in my class!
