DUAL

CREDIT

What is Dual Credit?

A college curriculum that
can be used to
simultaneously earn high
school diploma *and* an
Associate Degree!

Benefits of Being a Collin College Dual Credit Student

- Courses may count toward high school credit
- Small class sizes
- Educational support from Collin College instructors and support services
- Experience the college environment and rigor of college courses
- Begin a college transcript
- Complete a Certificate or Associates Degree
- Cost savings

How Much Will You Save?

University of Texas at Dallas

\$2,857 for a three credit hour course*

University of North Texas

\$1,414.54 for a three credit hour course*

*Based on Fall 2023 tuition rates

Collin College

is **\$188**

for a three credit hour course
(for in-county residents)

Dual Credit Courses are Transferable to Most Public Four-Year Colleges and Universities in Texas.

Students are responsible for determining if transfer institution will accept their credits

All About Dual Credit

Is Dual Credit Right for You...

The importance of attendance and time management

College Professors may deduct points for tardiness or absences.

Student code of conduct

Students are expected to behave in a respectful manner.
Plagiarism will result in disciplinary action.

Drop/Withdraw deadlines

Did you take on too much?

Maturity for subject matter and college classroom environment

Professors are entitled to academic freedoms.

Get to know your course syllabus and instructor

Best College Tip!

High School vs. College

High School	College
High school is MANDATORY and typically FREE	College is VOLUNTARY and EXPENSIVE
Your time is structured by your TEACHERS	YOU manage your own time
You can count on PARENTS and TEACHERS to remind you of assignments, priorities, and deadlines	YOU must balance your responsibilities and set priorities. YOU are expected to take responsibility for what you do/don't do
Testing is FREQUENT and covers material AS YOU GO ALONG	Testing is NOT FREQUENT and covers LARGE amounts of material
Teachers frequently conduct REVIEW SESSIONS , pointing out important concepts	YOU , not the professor, are expected to PREPARE YOURSELF for a test
Teachers frequently rearrange test dates to AVOID CONFLICT with school events	Professors usually schedule tests WITHOUT REGARD for other classes or outside activities
Your COUNSELOR supports you with creating graduation plans	Degree requirements are COMPLEX and differ for each college
Parents CAN talk to your teachers without your permission	ONLY THE STUDENT may speak with their professor about class, unless a FERPA waiver has been authorized

FERPA

Family Educational
Rights and Privacy Act

- Similar to HIPAA law
- Federal law that ensures privacy of student educational records
 - (begins when student starts college regardless of age)
- Collin College cannot share grades, course schedules, or test scores with parents
- A great opportunity for students to learn the college process and take on new responsibilities
- Students will need to use their Collin email address for communication with instructors

What Does ACCESS Do?

Provides equal access to the educational opportunities and services for students with disabilities through academic accommodations for those who qualify

Dual Credit ACCESS Advisor - Tara Franklin

Email: tfranklin@collin.edu

Phone: (972) 553-1161

To Receive Accommodations

A student needs to:

1. Receive a CWID, Setup Collin College Email, and Activate OneLogin
2. Submit ACCESS Application with Documentation
 - 504 or FIE/IEP
 - Letter from Doctor with Diagnosis
3. **Complete Intake Interview with ACCESS Advisor**
4. Send Course Accommodation Letter to every professor every semester.

It is best to complete this process the summer before you plan to start dual credit courses.
